

Frank IJntema

Country Manager CA Auto Bank Netherlands

Frank IJntema is the Country Manager for CA Auto Bank Netherlands.

He started his career in 2004, co-creating his own company, a Fintech start-up. This company was bought by Crédit Agricole Personal Finance & Mobility Netherlands in 2008 after which he joined this company and became part of the Credit Agricole family.

After holding various positions in Sales, Marketing and Strategy in Crédit Agricole Personal Finance & Mobility Netherlands Frank moved to Paris to join the headquarters of Crédit Agricole Personal Finance & Mobility in 2016 and work as director of international marketing. In this role he became involved in the ambition of Crédit Agricole Personal Finance & Mobility to reenter the Spanish market. And so, after creating a Joint Venture with a local Spanish bank, he moved to Madrid in 2018 to become the commercial director of the new entity Sofinco Spain.

In 2021 Frank was asked to move back to Crédit Agricole Personal Finance & Mobility Netherlands, become its CEO and take charge of the sale and run-off process of the company. During this 3-year assignment, he successfully sold part of the outstanding and outsourced the remaining portfolio to a specialized service provider.

In November 2024, he joined CA Auto Bank as the new country manager for the Netherlands.

Frank IJntema was born in 1979 in Bussum (The Netherlands), he is a graduate from the Erasmus University of Rotterdam and the Stockholm School of Economics.
