Turin, May 22, 2024

Drivalia, the rental, leasing, and mobility company of the CA Auto Bank Group, has been selected as the **mobility partner for the G7 Finance**. The Ministers' meeting, chaired by Giancarlo Giorgetti, Italy's Minister of the Economy and Finance, and Fabio Panetta, Governor of the Bank of Italy, will bring together the finance ministers and central bank governors of the G7 countries **in Stresa (Verbano-Cusio-Ossola) on May 24 and 25**.

As the mobility partner, **Drivalia will support Maserati**, whose Grecale Modena is the official car of the G7, by providing the event organizers **with a fleet of 14 cars from the House of the Trident**. The cars, which represent Maserati's 100% "Made in Italy" elegance, style, and design, will be used to transport ministers and representatives of the participating international institutions.

The G7 Finance circuit meetings will be attended by the Finance ministers and Central Bank governors of the G7 countries, the European Commissioner for Economic and Monetary Affairs, and the President of the Eurogroup, as well as the heads of major international organizations and other ministers representing countries invited for their relevance in relation to the topics on the agenda.

Drivalia

Drivalia, a rental, leasing and mobility company of the CA Auto Bank group, provides a full range of mobility solutions, from electric car sharing to innovative car subscriptions and rentals of all durations. Drivalia deals with all-round mobility, offering innovative mobility plans that combine flexibility, a digital experience, an on-demand approach, and sustainability. In June 2019, the Company launched the Mobility Store network, physical outlets where customers can have access to all its mobility services. With the opening of the first fully electrified Mobility Store at Torino Caselle airport in 2020, followed by many others, Drivalia has become a leading operator in sustainable mobility. In fact, thanks to the more than 1,600 charging stations installed at all its stores to date, the Company has the largest private electrified network in Italy. The electrification process will proceed in all the European countries where Drivalia operates also in 2024.
