

Drivalia is mobility partner of the G7 Summit in Borgo Egnazia

PRESS RELEASE

- On the occasion of the G7 Summit to be held in Borgo Egnazia, in the municipality of Fasano (Puglia, Italy) from June 13 to 15, 2024, the mobility and car rental company of the CA Auto Bank Group will support Maserati, which with the Grecale Modena is the official car of the G7.
- Drivalia will provide the event organizers with a fleet of 14 cars from the prestigious House of the Trident.

Turin, June 12, 2024

Drivalia, the rental, leasing and mobility company of the CA Auto Bank Group, has been selected as **mobility partner for the G7 Summit**, which will be held in **Borgo Egnazia**, in the municipality of Fasano in Puglia, Italy, **from June 13 to 15, 2024**.

The event will be attended by the Heads of State and Government of the seven member States, as well as the President of the European Council, the President of the European Commission, both representing the European Union, and officials from a number of states and international organizations.

As a mobility partner, **Drivalia will support Maserati**, the official car of the G7 with the Grecale Modena, by providing the event organizers with a fleet of 14 cars from the **House of the Trident**. These vehicles, which embody the 100% "Made in Italy" elegance, style, and design of Maserati, will be used for the transfer of ministers and delegates from the participating international organizations.

PRESS RELEASE

Drivalia, a rental, leasing and mobility company of the CA Auto Bank group, provides a full range of mobility solutions, from electric car sharing to innovative car subscriptions and rentals of all durations. Drivalia deals with all-round mobility, offering innovative mobility plans that combine flexibility, a digital experience, an on-demand approach, and sustainability. In June 2019, the Company launched the Mobility Store network, physical outlets where customers can have access to all its mobility services. With the opening of the first fully electrified Mobility Store at Torino Caselle airport in 2020, followed by many others, Drivalia has become a leading operator in sustainable mobility. In fact, thanks to the more than 1,600 charging stations installed at all its stores to date, the Company has the largest private electrified network in Italy. The electrification process will proceed in all the European countries where Drivalia operates also in 2024.
