

Drivalia is mobility partner of the 42nd Torino Film Festival

Drivalia's partnership with the National Museum of Cinema takes again center stage, as the CA Auto Bank Group's rental, leasing, and mobility company becomes the **mobility partner** of the 4^{2nd} **Torino Film Festival, from November 22 to 30.**

Drivalia, a rental and mobility subsidiary of the **Crédit Agricole Auto Bank Group**, continues to provide its sustainable support to the arts and cinema. The company will work with the National Museum of Cinema to organize events and exhibitions across Turin by providing a fleet of hybrid and electric vehicles to the festival organizers to facilitate artists' transportation.

Additionally, Drivalia's customers can use the **promo code TORFILM2024** to receive **a 10% discount** on daily and weekly car rentals when booking online.

Lastly, all customers registered with the 100% electric car-sharing service, **E+Share Drivalia**, can enjoy **a 15% discount** on all minute and daily packages (Wallet and One Shot), which can be purchased directly in the MyWallet section of the app. New customers simply need to download the E+Share Drivalia app on their iPhone, register, select a tariff plan, and purchase packages at discounted rates in the MyWallet section.

Drivalia is currently active in **15 European countries**, with plans to expand to 18. Its extensive presence across Europe involves more than **200,000 vehicles** and over **800 Drivalia Mobility Stores**, i.e. fully electrified physical locations where customers can explore the full range of the company's mobility solutions. Drivalia also operates a proprietary network of **1,800 charging points**, which is set to grow to 2,500 by 2026.

Drivalia

Drivalia, a rental, leasing and mobility company of the CA Auto Bank group, provides a full range of mobility solutions, from electric car sharing to innovative car subscriptions and rentals of all durations. Drivalia deals with all-round mobility, offering innovative mobility plans that combine flexibility, a digital experience, an on-demand approach, and sustainability. In June 2019, the Company launched the Mobility Store network, physical outlets where customers can have access to all its mobility services. With the opening of the first fully electrified Mobility Store at Torino Caselle airport in 2020, followed by many others, Drivalia has become a leading operator also in sustainable mobility. In fact, thanks to the more than 1,800 charging stations installed at all its stores to date, the Company has the largest private electrified network in Italy. The electrification process will proceed in all the European countries where Drivalia operates also in 2024. For more information:
